## Need to Know Board – Instructions

Facts	Assumptions	Questions	Resources
<p>What do I know?</p> <p>List only facts with identified sources.</p> <p>NOTE: Students often want to equate "knowledge" with "facts." This is only valid when the knowledge can be supported by available sources or references.</p>	<p>What am I assuming to be true?</p> <p>List conjectures based on unproven information, inferences based upon prior knowledge or experience, and/or beliefs based on intuition, emotion, or opinion.</p>	<p>What do I need to research?</p> <p>List all of the questions or ideas that you need to investigate in order to prove or disprove assumptions or to uncover missing information.</p>	<p>Where, how, and/or from whom can I find answers to my questions that will result in new facts?</p> <p>List documents or other media with information that can be verified, locations or activities to investigate, and/or people with relevant knowledge.</p>
